### AMENDMENTS TO THE SPECIFICATION

Please amend paragraph 72 to be as follows:

--[0072] Additionally or alternatively, in some embodiments, device 12 may allow an automatic identification of various types of sensors and/or arrays and/or receivers such as receiver 201. For example, in some embodiments, recorder 202 may be able to automatically identify the type and/or serial number of ~~recorder~~ receiver 201, or vice versa, to achieve various functionalities and/or compatibility. Such automatic identification may be achieved, for example, using unique serial numbers which indicate and/or encapsulate information describing their properties.--
